Any valid visa OK	Student Visa/ Working Holiday	Student Visa/ Japan Resident

Sports Scholarships Available

Sports Scholarships are available to people who show great promise in their sport, usually at the national level. Several former scholarship recipients are now playing Soccer professionally in leagues throughout the world.

Attention Schools!

Are you planning to visit Japan? If so, we invite you to drop by for a day or more! Your students can try classes and join school clubs through our 'Experience Seiritsu' course, normally for little or no cost!

成立学園中学・高等学校

Seiritsu Gakuen Junior and Senior High School, Tokyo, Japan

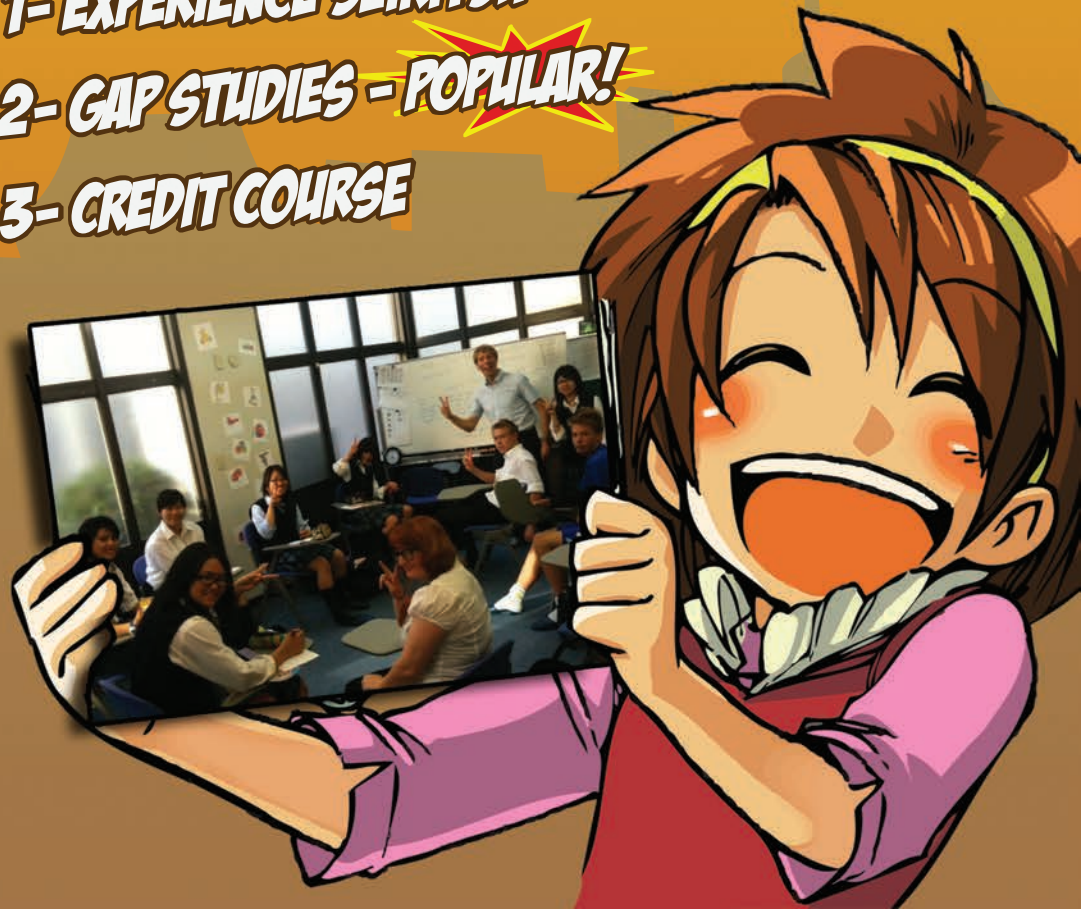

Seiritsu and You - Experience Japan!

CHOICE OF COURSES!

1- EXPERIENCE SEIRITSU

2- GAP STUDIES - POPULAR!

3- CREDIT COURSE

Experience life in Japan at Seiritsu

Studying overseas not only makes you stand out to academic institutions and future employers, it also provides a life-changing experience. We offer 3 courses for students from many countries, for either short or long periods of time.

At Seiritsu, international students are taught in both English and Japanese in order to learn and apply both languages.

Classes taught in English

High Level English
Japanese Geography
Japanese History
Japanese Language

Classes taught in Japanese

All academic subjects,
plus: Japanese Calligraphy
Japanese Language
Physical Education
Art

...and much more!

A Dedicated International Department

International Department staff ensure that students are actively involved in the school, and we provide the valuable support and advice that is so often needed when students are studying abroad.

3 different courses to suit you...

1- Experience Seiritsu

Individuals or school groups can enjoy school tours, special cultural classes, participation in sports clubs for a day or more.

2- Gap Studies

Perfect for the time between finishing high school studies and entering university, spend up to 12 months being part of the school and immerse yourself in Japan. Participate in regular classes, interact with Japanese students, while at the same time developing your Japanese language skills.

3- Credit Course

This course offers up to three years of credited Japanese high school education. Requires participation in regular classes and exams.
